Please find the attached letter from my doctor.

Please confirm receipt.

Thank you,

Have a great day.

EXHIBIT 1

I am going to wait to send for approval until all the needed items are here so please send what you have Wed. Some get certificates for the ESA animal . If not, the vet records and picture along with this letter is what is needed. Thanks Anne

What certificate? One from the vet for tags and license? I should have that stuff by Wed.
